

FOOD ALLERGEN & INGREDIENTS BOOK V 7.2

PLEASE NOTE

ALLERGEN INFORMATION

We produce our food in kitchens where allergens are handled by our people and where equipment and utensils are used for multiple menu items, including those containing allergens. While we try to keep items separate, we cannot guarantee any item is allergen free, even after ingredients have been removed on request.

While there are no nut or peanut ingredients in the products listed in this booklet, some products supplied to us may carry manufacturer 'may contain' warnings for peanuts and/or nuts. We therefore cannot guarantee that our food is completely nut or peanut free.

- Traditional Wings ('Classic') and Boneless Wings ('Southern Fried') are tossed in shared sauce bowls. As a result, all wing sauces may be subject to allergen cross-contact from other wing products and sauces. Customers with food allergies should take this into consideration before ordering.
- Vegetarian Nuggets ('Quorn'), Double Decked Burger (Vegetarian), Waffle Stack (Vegetarian), Hash Browns, Halloumi Fries, Sweet Potato Fries, Curly Fries, Potato Waffles, French Fries, Waffle Fries, Onion Rings, Mozzarella Sticks, Potato Smiley Faces and Vegetarian Hotdog may be cooked in the same oil.
- Halloumi Fries are not suitable for customers with sesame allergies and are cooked in the same oil as Vegetarian Nuggets ('Quorn'), Double Decked Burger (Vegetarian), Waffle Stack (Vegetarian), Hash Browns, Sweet Potato Fries, Curly Fries, Potato Waffles, French Fries, Waffle Fries, Onion Rings, Mozzarella Sticks, Potato Smiley Faces and Vegetarian Hotdog.
- Traditional Wings ('Classic'), Boneless Wings ('Southern Fried'), Chicken Nuggets ('Crispy Coated'), Waffle Stack (Chicken) and Double Decked Burger (Chicken) may be cooked in the same oil.
- Due to the handling of cheese during the preparation of many of our menu items, we cannot guarantee our products do not contain traces of milk, including where a request has been made to remove cheese from an order.
- Although every effort has been taken to remove all bones from Boneless Wings, Chicken Nuggets, Waffle Stack and Double Decked Burgers, small bones may occasionally remain.
- Delivery Orders: We also cannot guarantee your meal will not come into contact with other allergens during delivery. Couriers may transport other orders, including orders from other businesses, at the same time as your delivery.
